VISIONARY FIRSTS

You studied math, language arts, science, and social studies. This year was the first year for Quest intervention in the morning. The first year for track-with meets against Bridle Ridge and...the 1st Scholar Bowl...you won it, too!

It was also the first year with our new principal, Mr. Randy Randolph.

You learned that "Specials" is called "Encore" and you went to PE, Music, Art and computers.

It was your first year to learn how to type, too. You met new friends and had a great 1st year at Eagle Glen.

1

You were born in 2000 or 2001.
